The Race Against Breast Cancer is a NE Kansas grassroots nonprofit whose passion to see breast cancer caught in its earliest stages is fulfilled in our no-cost mammography program paying for screening & diagnostic mammography services for NE Kansans in need.

We also provide breast health educational materials at health fairs and to our partner health agencies. We can only do this because we are supported by local businesses and individuals!

100% of our funds remain in NE Kansas to support the Race Against Breast Cancer and our no-cost mammography program. Thank you for your support!
