Keeping families close™

**RONALD MCDONALD HOUSE**

Ronald McDonald House Charities of Northeast Kansas keeps families close to their hospitalized children and the lifesaving medical care they need. Most families served are low- to moderate-income and no one is ever turned away for inability to donate for their stay.

With an average stay of 16 nights, in 2024 a guest family experienced the longest ever stay at Topeka's Ronald McDonald House - 150 nights. Pay it forward to help remove a stressor and allow families to focus on what is most important, the health of their sick and injured kids.
