FIREKEEPERS ELDER CENTER

Firekeepers Elder Center is a gathering place for PBP community elders, offering activities, dining, and social opportunities. The facility includes recreation spaces, daily hot meals for on-site participants, and meal delivery for homebound elders. It also provides culturally based programs, transportation and referral assistance, and short-term medical equipment loans.

The center's goal is to help elders remain at home as long as possible. It supports caregivers through a dedicated program designed to reduce stress and prevent burnout.
