TRIBAL SOCIAL SERVICES

Social Services is a dedicated team of staff aimed at providing wellness and care to PBPN members. While some changes have occurred over the past few years, the vision of Social Services has not changed through staff turnover and the pandemic. Now, as the world is re-opening, Social Services is also open and available to assist anyone in the community through services, referrals or support. We host regular events in the community to generate awareness and connection.

Bingo Charity Game

All specials packs include 1 charity game with 50% of sales for the month going to a local charity.
